

Expository Writer—An Important Part of Chicago

ILS 3B: I can use prewriting strategies to generate ideas and organize my writing.

What is an important part of Chicago? _____

What information is important to tell about this part?

(You can use the boxes to number the order in which you will include these facts.)

How will I start my writing so my reader knows what I'm writing about and what the most important idea to understand is?

How will I end so my reader knows what was most important to learn?
