

**Prose Constructed Response Organizer: FICTION**

CCSSR6—analyze the author's point of view.

How is the Narrator's Point of View different from the other characters in the story?

Problem the characters face:

How the narrator and other characters feel about it.

Character	Feeling	Evidence
Narrator		

How does the narrator feel about the other characters in the story?

How does the narrator feel about how the story ends?

How do the other characters feel about the way it ends?
