Dear Mayor Daley,

My name is _____ My favorite
subject is Gym. I like to run outside.

In social studies, we are learning
about Chicago. I learned that Daniel Burnham
was an architect and that he had
great ideas that changed Chicago
into a beautiful city.

I would like to share an
idea with you of how to make Chicago
even better. I think we should shutdown all
gun stores, so there would not any
situations about people who died because
of those weapons. Guns cause violence
and I think if we get rid of them
then there wouldn't be violence. It would
make Chicago a better place to live.

Sincerely,
