Dear Mayor Daley,

My name is
I am in 3rd grade at Finkl Academy. There
are 28 students in my class. My teacher's name
is . Her whole name is

She is so nice. My favorite subject
is computers because I can play games
and I can learn about the world and
different animals.

In social studies, we are
learning about Chicago. I learned that
in 1871, the Chicago Fire burnt down a lot
of buildings and homes. Many buildings were
ruined, but then they were rebuilt.

I want to share an idea
of how to make our city better. We
should make a law that is to recycle. Recycling
will help the environment. It will make
our city look pretty and clean.

Sincerely,
