

Dear Mayor Daley,

My name is _____ . I am in third grade at Finkl Academy.
My teacher is _____ . We are 28 children in my class. My favorite
subject is computers. My favorite friend is _____ . I am at school
for 5 hours and 45 minutes.

In social studies we are learning about Chicago. I learned that the
first ferries wheel was created for the 1893 world's fair. In 1871 was the
Chicago fire. Many houses were burned and a lot people die. In 1833
Chicago built the first public school.

I would like to share something with you. Chicago might be an
easy place to live. I think we could low prices at the stores because
when people do not have money, they steal things they need to survive
so, we need to help these people creating jobs and pay good to let
them live in a good way.

Sincerely,
