Dear Mayor Daley,

"Hi,"

Hi, my name is

. I am 9 years old.

I go to Willow Zinkl Academy. My teacher is
is so sweet and nice and generous. We have
28 kids in our classroom. We all like science. I am a
third grader. My favorite subject is Math and science.

In Social Studies we are learning about Chicago.
I learned that DuSable was the first one to live in Chicago.
He was named as the "Father of Chicago". Also, I learned
that the first Ferris Wheel was built in 1893 and one
car could fit 60 people!

I want to share an idea with you. I was thinking
you could make a law that people stop littering because it makes
our community more messy. Especially on the Lake
Michigan because who would want to swim in a dirty
lake. That's why we want a clean and nice city, not a
dirty messy city.

From your friend,
