

May 13, 2009

Dear Mayor Daley,

My name is _____ I am in
third grade at Finkl Academy. My favorite
subject is Math.

In social studies, we are
learning about Chicago. I learned that
DeSable built a trading post where
people could trade food and clothes. And
I also learned that the First Ferris
Wheel was so big!

I would like to tell you how
to make Chicago better. I would like
to share an idea with you so we can
make Chicago better. I think we should
turn an old factory into a soccer field
because it will be cool to go to when
we are done helping our mom or
finished doing our homework at home.
It will give us something fun to
do in our community.

Sincerely,
