Dear Mayor Daley,

My name is \_\_\_\_\_

I am in 3<sup>rd</sup> Grade. My teacher's name is \_\_\_\_\_  
My School's name is William Finkl Academy.

In social studies, we are learning about Chicago Fire and it was in 1871. It burned a lot of Chicago.

I think we can make Chicago better by stopping kids from putting graffiti on the buildings. They are getting ugly and messy and stinky.

Sincerely,
