Dear Mayor Daley,

My Name is _____ . I am in third grade
and I am 8 years old. In Social studies, we
are learning about Chicago. I learned that
Chicago was a dirty place but Burnham
helped make it beautiful. I would like to
share my idea with you of how to make
Chicago better. I think we should turn an
old factory into a soccer field because when
boys are bored they can play soccer. It
would be a lot of fun.
