

# Geometry is Everywhere!

Draw or name real objects--examples you see that use geometry.

Shape	Example
rectangle	
triangle	
circle	

Shape	Example
square	
_____	
(Another shape.)	
_____	
(Another shape.)	

## PLUS

Grades K-... Design something that uses all of these shapes—a playground, a building, a ...

Grades 4-... Explain how to figure out the perimeter and area of each shape.
