Dear Mayor Daley

My name is

from

Gregory Academy in the North Lawndale

Community. To make Chicago a better  
place I think you need to make all

homeless people rich. This is a great

idea because homeless people keep asking

for money. They put up signs to help

them, and no one helps them, so I

want you to. In order to make my

plan work, the city needs to get a lot

of money and let the homeless people

work for it. After you make these changes

Chicago will be better because it will

be a safer place for all people to live

in, and stop bad things from happening

to homeless people. Thank you for your

time. We look forward to your action!

Sincerely
