Dear Mayor
Diner

My name is

from Gregory Academy in
the North Lawndale community.

To make Chicago a better
place I think you need
to give schools new books.

This is great because
schools need supplies

and books. This is a great
because schools need supplies
and books. In order to make

my plan work the city needs
to ask suburban schools

for donations. After you make
these changes Chicago students

will not have to read the same
stories over and over. Thank

Sincerely,
