Dear Mayor Daley,

My name is _____ from _____
Gregory Academy in the North Lawndale

Community. To make Chicago a better
place I think you need to have more

laptops, school supplies and books. This
is a great idea because we need

more laptops because some of them are
broken. In order to make my plan

work, the city needs to tell the
computer companies to donate computers

to use. After you make these changes,
Chicago will be better because it

will be good for all schools to get
new things so kids can learn

more. Thank you for your time. We
look forward to your action.

Sincerely,
