Dear Mayor Daley,

My name is \_\_\_\_\_ from Gregory Academy  
in the North Lawndale Community. To make Chicago a better  
place I think you need to put a big screen tv in the  
lunch room. This is a great idea because when we are  
eating lunch we can watch important events in the  
news. In order to make my plan work, the city needs  
to buy the t.v.'s and have them installed in the  
lunchroom. After you make these changes, Chicago will be  
better because the students at Gregory School will be  
informed of important information. Thank you for  
your time. We look forward to your action!

Sincerely,
