Dear Mayor Daley,

My name is

From Gregory Academy in the

North Lawndale Community. To make Chicago a

better place I think you need to put a Big screen

TV in the lunch room. This is a great idea because it is boring

in the lunch room. In order to make my plan work the City needs

to provide money for the Big screen TV.

After you make this change, Chicago

will be better because the students will be watching tv

instead of talking and fighting. Thank you for your time.

We look forward to your action!

Sincerely
