Dear Mayor Daley,

My name is

from

Gregory Academy in the North Lawndale

Community. To make Chicago a better

place I think you need to clean our

neighborhoods. This is a great idea because

our neighborhoods would be clean. In order

to make my plan work, the city

needs to hire more people to pick up the

garbage. The city also needs more garbage

trucks. After you make these

changes, Chicago will be a better place because

it will smell good and the city would

look nice. Thank you for your time.

We look forward to your actions.

Sincerely,
