Dear Mayor Daley,

My name is _____ from Gregory

Academy in North Lawndale

Community. To make Chicago a
better place I think you need to

Stop the Violence. This is a great

idea because kids can't come outside

without getting killed or getting

sick because of drugs. In order

to make my plan work, the city

needs to lock people up that are

creating the violence. You also need to

hire more police and install more

cameras. After you make these changes

Chicago will be better because every

body will be happy and the killing

will be over at last. Thank you for your

time. We look forward to your action!

Sincerely,
