Dear Mayor Daley,

My Name is _____ from _____

Gregory Academy in the North Lawndale

community. To make Chicago a better

Place I think you need to clean

our neighborhood. This is a great

idea because we see garbage every

time we walk out of the house. We

step in trash daily. Garbage brings rats.

In order to make my plan work, the

city needs trucks to clean up. After

you make these changes, Chicago will be

better because every thing is done

and we can live in a better cleaner

place. Thank you for your time.

We look forward to your action.

Sincerely
