Dear Mayor Daley,

My name is _____ from Gregory
Academy in the North Lawndale Community.

To make Chicago a better place I think
you need to put a museum in all
schools. This is a great idea because people
can learn about history. It will not
take a long time to go to the museums
downtown. In order to make my plan
work, the city needs to give more money
to buy the things that we need to go
into the museums. After you make
these changes, Chicago will be better
because kids will be smarter and learn
about new people who made history in
the museums. Thank you for your time. We
look forward to your action!

Sincerely,
