Dear Mayor Daley,

My name is \_\_\_\_\_ from Gregory Academy in the  
North Lawndale Community. To make Chicago a better  
place I think you need to put a mandatory music  
program in all schools. This is a great idea because we  
can learn about music and how to play instruments. In order  
to make my plan work the city needs to provide musical  
instruments and teachers to all the schools. After you  
make these changes, Chicago will be better because  
the students will learn how to play instruments  
and they will have another way to express themselves.  
I thank you for your time. We look forward  
to your action!

Sincerely yours,
