Dear Mayor Daley,

My name is \_\_\_\_\_ from Gregory

Academy in the North Lawndale community

To make Chicago a better place I think

you need to put Basketball rims up around

the School! This is a great idea because

when you come to School we don't

have to sit in the auditorium and

talk until 8:45. In order to make

my plan work, the city needs to get

construction workers to put Basketball

rims around the School. After you make

these changes Chicago will be better

because people will have basketball skills and

people that are over weight can lose weight. Thank

you for all your time. We look forward to:

your action!

Sincerely
