

MAY 12 2009

Dear Mayor Daley,

My name is \_\_\_\_\_ from \_\_\_\_\_

Gregory Academy in the North Lawndale

community. To make Chicago a

better place I think you need to

put a swimming pool in every school.

This is a great idea because when

it's hot we can get in the pool.

In order to make my plan work, the

city needs to build us another school

because the school has to be bigger

to have a swimming pool. After you

make these changes, Chicago will be better

because there will be more kids in

school if we get in the pool every day.

Thank you for your time. We look

forward to your action!

Sincerely,
