Dear Mayor Daley

My name is _____ from
Gregory Academy in the North
Lawndale community. To make
Chicago a Better Place I think
you need to put more Laptops
in our school. This a great
idea because people can
get their work done fast.
In order to make my
plan to work, the city needs
more money to buy laptops
at Best Buy. After you make
these changes, Chicago will be
better because people will
be on their laptops looking
for things to help them do their
home work. Thank you for your
time.

Sincerely,
