Dear Mayor Daley

My name is _____ from Gregory Academy in the
North Lawndale Community. To make Chicago
a better place I think you need to give some laptop
computers. This is a great idea because if we needed
to find something as students and the student does
not have a computer and-or your computer is broken,
The library is not open or the computers are down and
won't be fixed for weeks, we will have a laptop. In
order to make my plan work you need to provide more
money for it to work. After you make these changes
Chicago will be better because more people will spend
their time learning educational things on the lap-
top which will make us smarter. Thank you for your
time. We look forward to your action!

Sincerely,
