Dear Mayor Daley,

My name is _____ from Gregory Academy

in the North Lawndale Community. To make Chicago

a better place I think you need to let the

schools go on fieldtrips every day. This is a

great idea because the people that go to school

can learn more things about our community.

In order to make my plan work, the city

needs you to call our teachers and tell

them that the students need to learn more things

about their lifetime. After you make

these changes Chicago will be better

because every child that goes to school will

be smart. Thank you for your time. We look

forward to your action!

Sincerely,
