Dear Mayor Daley

My name is _____ From the
North Lawndale Community, to make
Chicago a better place, I think you
need to provide laptops for children
with free internet on every one. In
order to make my plan work, the
city needs to buy more laptops
and chargers. After you make these
changes, Chicago will be a better place
because kids will learn more because
parents will make the children go on
learning web sites. This is a great
idea because kids and parents can go on
important web sites. Thank you for your
time. I look forward to your action!
Thank you, Mayor Daley.

Sincerely
