Dear Mayor Daley

My name is \_\_\_\_\_ from Gregory

Academy in the North Lawndale Community. To make

Chicago a better place I think you need to put a

big screen t.v in the lunch room. This is a great idea

because when we are eating our lunch we could

watch educational t.v. In order to make my plan

work, the city needs to donate money to buy the t.v

and help bring the big screen t.v into the lunch room

so when they install it you could buy the cable for it

also. After you make these changes, Chicago will be

better because we can watch the News and see

what's going on in the neighborhood and you could

turn to a channel about math and other subjects

to learn about it. Thank you for your time.

We look forward to your action!

Sincerely,
