Dear Mayor Daley

My name is _____, _____ from Gregory Academy

in the North Lawndale Community. To Make Chicago

a better place I think you need to stop violence in

our community. This is a great idea because people

can stop robbing people. In order to make my plan

work, the city needs to provide jobs to those

who don't have one. After you make these

changes Chicago will be better because there will

be no more violence and kids can go outside.

Thank you for your time. We look forward

to your action.

Sincerely
