Dear Mayor Daley,

My name is _____ from Gregory

Academy in the North Lawndale

Community. To make Chicago a better

place I think you need to allow

students to bring games to school.

This is a great idea because if the

teacher gives us free time we can

play our games. In order to make

my plan work, the city needs to

provide the students with PSP's

or playstation 3's. After you make

these changes, Chicago will be better

because this would make the kids

happier. Thank you for your time.

We look forward to your action!

_____ sincerely,
