Dear Mayor Daley,

My name is \_\_\_\_\_ from Gregory

Academy in the North Lawndale Community.

To make Chicago a better place I think you  
need to give all students laptops with

Internet. This is a great idea because some

people need to do research and they

might not have a computer. In order

to make my plan work, the city needs to

provide money to get the laptops.

After you make these changes, Chicago will

be better because we will not have

to walk all the way to the library

to use the computer. Thank you for

your time. We look forward to your

action!

Sincerely,
