Dear Mayor Daley,

My name is \_\_\_\_\_.

I am nine years old and I have a good idea to help the community.

I have learned a few things about Chicago. I've learned the history of the hot dog. I've also learned about the Hull House and Jane Addams and what things looked like in the past and what they look like now.

I think hiring more crossing guards

I think this is important to the community. I think this because it will help the Economy by giving people jobs. Also, traffic lights waste electricity 'crossing guards don't.

Thank you for reading this letter. I hope someday things will be better.

Sincerely
