Dear Mayor Paley

My name is

I go to Nathan Hale School.

We have learned about all
President in the contry and the
famus hot dog and old Place
turncd to New place's. For
my idea is to hire more
Police so that the city is
a nice place and there will
not be any robberies or
murders and people stealing
cars and breaking in to
house's. My idea will be
important because it will

help the city and country
for all of us. I hope
my idea was very good for
you and for the people.

Sincerely,
