Dear Mayor Daley,

I am a third grade student at Nathan Hale Elementary School. I have two brothers and two sisters. Their names are

We have been learning a lot in school.

Recently, we have been learning about Chicago. Jane Addams built the Hull House. This was a place where homeless people get food and a place to sleep. This would be the place where homeless people get help.

I've been thinking of a way to solve a problem in my neighborhood. Cars go way too fast on my block, and many others. Maybe, if we put speed bumps, cars won't go so fast. Speed bumps can slow cars down and save lives.

This is not just important to

my neighborhood, but my city. Speed bumps can be put on a lot more side streets than just mine. It is my responsibility to make Chicago a better place and I promised I would help out.

Sincerely,
