Dear Mayor Daley,

I'm a 3<sup>rd</sup> grade student at Nathan Hale Elementary School. I Love to draw  
I can probably draw anything I have  
3 Sisters + 6 brothers two are yougers  
and all the rest older.

Did you know that Chicago used  
to have a trading post. Chicago used  
to have alot of Indians. The Old Buildings  
from a long time ago they had to get knocked  
down and they need new one's.

My big idea is to keep the streets  
of Chicago clean. When I walk downtown

I notice trash on the streets. On Earth Day people should clean the streets. We should have more trashcans. My idea is important because people don't get a flat tire.

In conclusion my idea would help people so they will not have to look at garbage all over the ground.

Sincerely,
