Dear Mayor Daley,

I am a third grade student at Nathan Hale Elementary School. I have two brothers. I like baseball and I play it in my back yard

To begin with, I learned that there were trading post, also there were no cars; and they had to hunt.

To continue, the fire department should hire more fire men. My idea is important because if there are a lot of fires there would be enough fire men to get to the fire.

Lastly, my idea will help Chicago if there are a lot of fire and fire men will get into there fire trucks.

In conclusion, I think people should help the fire department out.

Sincerely,
