Dear Mayor Daley,

I am a third grade student at Nathan Hale Elementary School. I have a brother and a sister, but they live far away from me. I am usually sad when I think of them, so I try to keep myself busy. My favorite thing to do in school is math and social studies. I hate reading and science.

Lately we have been learning about Chicago. We learned about the Indians tribe, and the trading post. A trading post is someone who trades without money.

My big idea is to make more stop signs on my block because

many people could die if you get in  
an accident. Also more Speed Bumps.

I don't want any more  
people dying any more. when they are  
driving.

so people will drive  
a good life and won't die  
crashing any more.

Ps.

Sincerely

Don't

forget

the

speed bumps.
