Dear Mayor Daley

My name is _____ I am nine years
old. I go to school at Hale School.

I'm in 3 grade, room _____

I learned in Social Studies that
Jane Addams created the Hull
House. The Hull House help people
find jobs.

I think that you should
get more veterinarians for
Dog, cats, and all kinds of
animals.

You should do this because
more and more animals are dying,
and some times people don't have

Enough money so I think
that some vets should do stuff for
free like get medicine for animals.

So please help the animals
on the earth, and some times
you have to put them to sleep.

They don't like that.

Thank you for listening
to I have to say and
please help animals.
