Dear Mayor Daley,

Hi, my name is _____, I'm
nine years old. I have two best
friends. My favorite hobby is volleyball.
In school I'm learning about
Jane Addams. She was the one
who invented the Hull-house for
poor people, Jane helped to create
play grounds. So I've been thinking
to make our city safer.

You can hire more police officers
and firefighters. You can also build more
hospitals because people are starting
to get hurt and killed. If we have more police
officers →

they can help faster and find
the people who killed are doing the
killing. The firefighters can put
out the fires when there is a fire.

The Hospitals can help the
people who are in danger.

Please, Mayor Daley, please
help our community or city.

-Thank you Mayor Daley for
taking your time to read my ideas.
