Dear Mayor  
Daley,

Hi my name is  
I am 9 years  
old. I go to Hale School.

I learned a little  
bit about Chicago. I read  
about making better. Jane  
Addams saw poor people  
living in crowded neighborhoods.  
Jane Addams wanted to  
helped poor people have a  
better life in the city.

My big plan is  
to plant more trees.  
I think you

should have people grow  
more trees so we can breathe  
really good. The people who  
can plant more trees can  
be the school, the president,  
and you.

If we don't  
have a lot of trees, then  
we can't breathe really good  
and people can die.

Thank You
