Dear Mayor Daley,

Hi My name is

I am

a city council member for my class.

Did you know that Jane Addams helped the poor people of Chicago? She also opened a Hull-house during the Depression in the 1800's. She helped Chicago in many different ways.

Mayor Daley, I think we should stop gang bangers. I think we should do this because alot of people are getting killed.

We can solve this by having the usual police officers dress as gang bangers and when they see real gang bangers, they arrest them. If we do this less people will die.

I think we should do this because people are

dying at age 6.

Thank you for listening to
me and my idea.

Sincerely,
