Dear Mayor Daley

My name is _____

At the class we have to learn,

We have to try hard and it is

hard. I'm on my eights on math

and reading is fun

I learned about Chicago, there are

lots of Bad guys. we need to hire

more Police in the city or theirs

gonna be more killing in the

city.

My Big idea is to STOP Polluting

the air and pick up trash and
help poor people and give them
money give them a good job.
