Dear Mayor,

Hi, I'm from Hale School, in room I've been learning about Chicago.

I've also been learning about Jane Addams. Jane Addams is a very helpful person. She helped poor people. She lived in there community because then she could see what poor people were doing. Jane Addams created the Hull house.

I've been thinking that we should have more

police officers, because then  
we can be more safe.

I will try to convince  
you to get more police.

Mayor you should get  
more police because then we  
can be more safe, We  
can get more police by  
paying them more money.

In conclusion, thank  
you reading my letter,  
and I hope I didn't  
waste your time.

Sincerely,
