Dear Mayor Daley

First my name is \_\_\_\_\_ from Hale School.  
I'm 9 years old and in third grade.

What I learned about Chicago is that  
Chicago is a really good place to live but  
to tell you the truth everything isn't perfect.

I have a big idea for for you. My big  
idea is we need more hospitals, cops and Fire  
fighters. We can solve this by hiring more people  
or have fundraisers and build more hospitals, police  
stations, and fire stations.

It will help the city of Chicago because  
if we do it it can help people live longer  
and save houses and let people know that  
Chicago is a good city.

So please make my idea come true  
please, thanks you so much for listening to  
what I had to say I appreciate it  
sincerely,
