

Dear Mayor Daley,

May 12, 2009

I am a 9 Year-old Boy and I like playing video games. I also like playing football and soccer. I usually play football because I am in football and I like playin it a lot.

I have learned that Jane Addams Opened the Hull House. I have learned that Jane Addams opened a school named Jane Addams. I learned that Jane Addams was helping poor poeple.

I also have another good idea. We should hire more fire fighters

Ma

and more cops because there
are a lot of robberies in stores.
If we had more fire fighters
and cops the streets will be
safer.

Thanks for Listening To
MY idea.

Sincerely.
