

May 8, 2009

Dear, Mayor Daley,

My name is \_\_\_\_\_

Let me introduce myself.

I'm 8 years old. I'm going to  
turn 9 this May, the 31<sup>st</sup>. I play  
for the Tigers for Clear Ridge.

I'm so good I hit a grand slam  
with bases loaded. They gave me the  
game ball.

What I learned about Chicago  
was Jane Addams helped poor

people. Jane Addams set up a place that's called Hull House that helped poor people and help people find jobs.

My big plan is to get more police officers, ambulances, firefighters because there is a lot of gangbangers on the streets. So if we defeat them, they won't break stuff, kill people or animals.

It will be good for the city because then people die from gangbangers

and there cant be any more violence. Kids will able to play outside and have fun. It will be a better place.

Thank you Mayor Daley listening to my note

Now I'll feel safer  
in CHICAGO.

Sincerely
