Dear Mayor Daley,

I am a third grade student
at Nathan Hale Elementary School. My favorite
subject is Science. I hope to be a
Science teacher some day. I also
enjoy reading I think reading is so
interesting.

Recently, I have learned about Chicago.
Did you know, Chicago used to have a trading
post? A trading post is a place where people
trade goods for things that they need.

I have a big idea. I think we
should plant more flowers. Chicago is a pretty
place, but I think we need more flowers.
Flowers around my community will be great.

I think flowers make people happy.

My idea is important to the city because people won't throw garbage because places look pretty and they don't want to harm the flowers.

In conclusion, my big idea is to plant more flowers. I think it's a good idea to plant more flowers.

Sincerely -

D
