Dear Mayor Daley

My name is I am 8  
years old. I learned that Jane Adams  
helped the poor by opening the Hull house  
and for the people that don't have jobs. I have  
a plan about getting more cops to stop gang  
violence. What you could do to stop it is have cops  
dress like gang members and pretend to be  
like them. And that is what I think,  
this will help the city because the gangs  
usually have guns and no one would get  
hurt. And that is why it would help the city.

Thank you!
