Dear Mayor Daley,

My name is _____ and I learned about the Chicago hot dog. We learned that it's important to Chicago and there is all kind of toppings for the hot dog. We learned about the green hall and many things about it. Mayor Daley. Don't forget about that. Change gasoline to different types of fuel. And Don't cut down trees at all. Trees gives us oxygen we need oxygen to live! Our class is writing about how to make Chicago better. We all saw a video about the times when the city old and now it is prett cool!
