Dear Mayor Daley,

Hi, my name is _____ and
I go to Hale School.

We learned about Jane Addams
She helped the poor people and she
opened the Hull-house. My big
idea is to care more about animals
in the city because they will
turn vicious because we're not caring
them enough. It will be bad
because the animals will bite you
and lot of injuries will happen.

Thank you for listening to my thoughts
Caring for animals.

Love,
