Dear Mayor Daley,

I am a third  
grader at Nathaniel Hale  
elementary school I have two sisters and  
four older brothers my favorite sport is baseball.

Recently have been learning about Chicago  
back then. I think we should eliminate

gang related people and send them to jail

because cps students are being killed by

gang related people. I think my idea

will help Chicago be a better

city. In conclusion I hope

you will choose my idea mr. Daley,

Sincerely
